

Operation Honor Card - "Serving our Communities, serving our Country". Operation Honor card is an effort to create a WWII sense of "all give some" by encouraging Americans to perform service in honor of military families and veterans.

The project will run until **October 24th** **please submit all cards by OCTOBER 24th to 807 North Tracy, Bozeman, MT 59715.** They will then be sent to Helena to tally a combined total of hours pledged across the state and the postcards will all be posted on an Honor Wall in Helena on Veterans Day. The goal is to get 8,000 pledge cards completed. The cards will then be distributed to our military troops.

For more information about Operation Honor Card, you can check out the following website: <http://www.honorcards.org> .
If you have any questions please call the RSVP of Southwest Montana office at 587.5444 or email at info@rsvpmt.org.
Thank you for your participation and help with this meaningful project.
